

McNeese State University Former Lettermen Association

The McNeese State University Former Lettermen Association was created as a way for former lettermen to reunite and give back to the program that gave them an incredible college experience. Member dues are \$100 annually. All money collected from dues are directly donated to the McNeese Athletic Foundation and designated for the sport you lettered in. This makes you a member of both the Athletic Foundation and the McNeese Foundation. You will receive benefits from each foundation at the appropriate level.
